

WINE LIST

Hencote's first 160 vines were planted in 2009 in the estate's residential gardens in what is now affectionately referred to as our hobby vineyard.

From these humble beginnings, the vineyard has now grown to a 17-acre single estate comprising 23,000 vines, focussed on producing wines of expression and provenance in our cool climate Shropshire terroir.

Since our first harvest in 2018, Hencote has established as a vineyard at the forefront of English Winemaking, with every wine produced awarded a medal at the International Wine Challenge or Decanter World Wine Awards. Our first vintage saw Hencote decorated with two gold medals for our still red wines

We welcome your comments to ensure we are making the right selection for you.

Enjoy!

The Hencote Family & Team

Hencote Estate Wines

125 175 250 BOTTLE

 <p>2021 - Evolution Seyval Blanc, Pinot Noir, Solaris & Pinot Meunier Fine streams of bubbles sets off a lively mood leading to an aromatic nose of apple pie and rose hip which follows on in the mouth feel. All the components combining beautifully in a complex array of very drinkable sparkling characteristics. A maverick bubbly with endearing qualities.</p>	7.5	26		
 <p>2018 - Isadora Rosé Pinot Noir, Pinot Meunier & Chardonnay Typically, a full style but with paler partridge eye pink set off by the gentle effervescence that persists, lifting an array of flavours from the glass. Primary notes of red currant jelly and pie crust combine with intriguing maturation complexity bringing a savoury element that carries over the palate with very finely tuned tannin and acid grip on the aftertaste.</p>	9	38		
 <p>2018 - Isadora Rosé Magnum Pinot Noir, Pinot Meunier & Chardonnay Our 2018 'Isadora' Sparkling Rosé represents the vivaciousness and dignity of the Stevens' family ladies. Comprised of three classic sparkling varieties and hand-picked from the Hencote Vineyard, the grapes in our Isadora Rosé undergo malolactic fermentation, adding a softness and creaminess to the wine. Each component has been carefully blended and matured for fifteen months 'sur lie' before release. Ageing in a traditional method adds complexity, but the aging process is a short enough time period that the wine retains its summer berry fruitiness. The combination of all of processes leads to flavour profile indicative of strawberries and cream.</p>		62		
 <p>2018 - LXX Blanc de Noir Brut Pale gold with no apparent blush whilst fine lines of persistent effervescence rise slowly. The initial aromas of raspberry sherbet are underpinned by layers of bakers' pastry with a touch of spice as tertiary characteristics from extended maturation providing volume which follow to the palate. The very soft yet concentrated bubble integrates a vibrant acid spine on which hangs an array of complex layers of subtle yet beautifully balanced flavours to fill out the mid-palate, gliding to a long finish.</p>	9.5	39		
 <p>2018 - LXX Magnum Blanc de Noir Brut Embracing the classic nature of this sparkling wine style our premium LXX Blanc de Noir is only made from years with exceptional sparkling wine grape quality and exclusively using Pinot Noir in the traditional method to create a noteworthy wine which displays a complex refinement in all aspects.</p>		64		
 <p>2022 - Vivienne Solaris, Chardonnay & Seyval Blanc The attractive lime green hue to the colour is a line of identity for this wine that follows right through to lifted citrus and tropical notes with passion fruit, pineapple with crunchy fruit acids on entry and a broad yet elegant mid palate. The long finish shows off the fact that mouthfeel is primarily about elements coming together as seamless and balanced and not driven by any one aspect of the taste.</p>	6	7.5	11	29
 <p>2022 - Suzanne Pinot Noir A modern style of Rosé showing off an inviting pale salmon pink colour with aromas of floral fruit and spice exemplifying how versatile this wine is. Fresh strawberries with sherbet on the nose introduce an amenable palate which is fleshed out with ripe fruit and elegantly long finish. A Rosé that offers much more than one might expect!</p>	5	6.5	10	26
 <p>2022 - Mark IV Pinot Noir, Pinot Noir Précoce & Rondo A wine typified by the sum of its parts in tune with the location of our vines in the context of each given season. Seamlessly amalgamated whilst showing beguiling black cherry and cranberry notes that lead the deliciously savoury palate and finish with a gentle persistence.</p>	6	9.25	13	37
