A note from our winemaker...

"Malaysian cuisine is one of the most exciting food cultures to pair wine with - bold, aromatic, with that beautiful interplay of heat and spice. Our **Suzanne Rosé**, made from 100% estate-grown Pinot Noir, has a natural affinity with dishes like chicken satay and pickled cucumber salad, its fresh strawberry and sherbet character and crisp acidity cut right through the richness of the sauce. For the beef rendang, I reach for the **sparkling rosé, Isadora**. Aged on the lees for fourteen months, there's a spiced, honeyed depth, notes of cinnamon cherry with a hint of umami, that mirrors the complexity of a slow-cooked rendang beautifully, while the fine, persistent bubbles cleanse the palate between every bite."
